Welcome to The Barrel Thief, a wine & whiskey bar established in Fremont in 2012. We're locally owned, and dedicated to bringing you a diverse and fascinating selection of fine edibles and libations from close to home and around the globe. We take pride in sourcing as many products as possible from small and independent producers.

THE BARREL THIEF

Our wine list includes a healthy selection from Washington State, plus tantilizing tastes from France, Spain, Italy, and beyond. All of our 150+ wines are available by the glass, thanks to our custom bottle preservation system. Many of our wines are available in choose-your-own tasting flights, so you can feel free to explore.

Our whiskey list has over 300 offerings, and focuses on whiskeys that are local, small batch, independently bottled, and off the beaten path. We also offer a large variety of whiskey tasting flights.

Our drink menu includes a wide selection of Mezcal, brandy & other spirits. We have beer, cider & mead, with a strong local focus, plus original cocktails, including several aged in-house in small oak barrels.

Thank you for visiting our little corner of the universe!
